NOVEMBER ELECTIONS

In less than three months, we will be electing a new President of the United States. This is one of the most important elections in the history of our country. We have come a long way, for it was not that many years ago that people of color could not vote. 130 years ago, blacks got the right to vote. It took women 50 years later in 1920. We all can make a difference by voting this November.

I have absentee ballot applications for all of you who will not be here for the General Election on Nov 4th or just can't make it to the polls but are registered to vote in Palm Beach County.

I am your Democratic Precinct Captain for Precinct 3058, your voting precinct. If you have any questions or need any information, please contact me at my number listed below.

The Primary is August 26th

LOCAL ELECTIONS

In the City of Lake Worth, two District Commission seats are up: District 2 and District 4. Although these commissioners run for office for their District only, they do represent all the residents within our city and we vote for all.

District 2 Candidates

Challenger Mary Lindsey

Challenger John Jordan

Incumbent Cara Jennings

Commissioner Jennings deserves another chance for two more years. She has done an outstanding job for the citizens of Lake Worth.

District 4 Candidates

Incumbent David Vespo

Challenger Rene Varela.

I am 100% behind Dr. Varela in his first political race. He is a marine doctor and conservation biologist and plans to put that experience and skilled critical thinking to work for the residents of Lake Worth.

my personal endorsements

U.S. Congress District 22: Ron Klein
Energetic, knowledgeable and out front on ideas and policy.

Supervisor of Elections: Susan Bucher or Bob Margolis
Former State Rep Bucher, lawyer, can turn that department around. Another good one is Bob Margolis, Vice Mayor and Councilman in Wellington.

Clerk of the Circuit Court: Sharon Bock

State Attorney: Paula Russell
Paula is a law enforcement person, not a politician. She has 22 years in the State Attorney's Office and brings experience and integrity to the position, something we sorely need. She is the underdog in the race against a big political money machine.

County Commissioner District 3: Shelley Vana

Dr. Rene Varela

Candidate for Commissioner District 4
